Audit, accounting and taxation services

From the heart of Cambridge

No city is as strongly identified with education as Cambridge and we believe no locally based accounting firm is as well placed as PEM to help with your financial challenges.

In education, credentials count and we are proud of our history and heritage. We provide audit and taxation services to more than two thirds of the Cambridge colleges and many of our relationships stretch back for decades.

Outside of higher education PEM advises some of the best known independent schools and academies throughout the region.

How we can help

The education sector is evolving at a rapid pace with change on many fronts. There has been a rapid growth in academies and free schools accompanied by funding and regulatory change in further and higher education.

Our highly experienced education team can provide a full range of services and appropriate advice tailored to your circumstances.

PEM's core education services include:

- Accounting
- Academy conversion
- Audit
- Financial due diligence
- Employment taxes
- IT services and data security
- Payroll services
- Property taxation
- Restructuring
- VAT advice

PEM is the largest firm of accountants based in Cambridge. We have extensive local knowledge and experience which we bring to bear for the benefits of our clients.

Case studies

Homerton College

PEM worked with the College to implement the best structure for the development of both residential and commercial property to ensure the College could avail itself of the available tax exemptions. PEM also advised on the complex rules in respect of Stamp Duty Land Tax and Partnerships.

The Stephen Perse Foundation

PEM has worked with the Stephen Perse for over 20 years providing compliance services as well as tax advisory on topical areas including employment status for peripatetic teachers, staff benefits and expenses.
