

Attention Hospice

Grant Application Criteria 2026.

For applications to the PEM Charitable Trust in 2026, we are asking causes/projects to meet the following criteria:

- The project or charity must be based in Cambridgeshire.
- The project or charity must help us reach our ESG goals by directly relating to one or more of the below [UN Sustainable Development Goals](#):

Application advice

As well as the above, the PEM Charitable Trust grant-giving committee are looking for projects/causes which are in line with our values of connection, clarity and authenticity, and our ethos of 'your future, our focus'. They also look for impact and reach, with our larger grants aiming to support multiple people.

Size of grant

- Applications of up to £500 can be towards general costs.
- Applications for £501-£2000 must be project based.

Restrictions

- Current PEM independent examination or audit clients cannot apply.
- Successful applicants must wait 12 months from date of application before reapplying.
- Unsuccessful applicants may reapply immediately with a different project.

Applications

Application windows are at the discretion of PEM Charitable Trust, dates will be published with a minimum of one month notice period.

Thank you!

We look forward to reviewing your application. Please email all PEM Charitable Trust applications to esg@pem.co.uk
